Baltimore, MD 

[LinkedIn](#) 

Compassionate and committed nursing student seeking more hands-on experience at MedStar Union Memorial Hospital. With an expected graduation date of May 2022, I must ensure I have the practical experience to deliver exceptional patient care upon graduation.

Work Experience

Sinai Hospital of Baltimore - Certified Nursing Assistant (CNA)

June 2021 - current

Baltimore, MD

- Welcomed 10+ new and returning patients per shift, and performed patient intake to understand health needs
- Created 100% accurate documentation for each patient to foster a culture of organization
- Scheduled follow-up appointments, and answered parent messages about proper post-visit care for children within 2 hours of receipt
- Comforted anxious children by providing games and books and making conversation
- Took patient vital signs, and communicated findings to nursing staff and doctor

LifeBridge Health - Clinical Rotations

August 2019 - May 2021

Baltimore, MD

- Rotated through clinicals in 6 departments, including ICU, Surgery, and Pediatrics
- Provided assistance to nursing staff during rotations with an empathetic approach to quickly build trust of more than 200 patients
- Performed CPR as part of ICU rotation for patients who were coding with 100% success
- Learned about various lab tests vital to diagnosis and treatment of patients in each ward
- Assisted in triaging severity of patient conditions by performing detailed medical assessments and taking patient vital signs

Education

Johns Hopkins University - Bachelor of Science, Nursing

August 2018 - May 2022 (anticipated)

Baltimore, MD

Skills

Empathetic; Organized; Patient Care; IV Management; Patient Triage

Licenses

- Advanced Life Support (ALS)
- Basic Life Support (BLS)
