*Compassionate and thoughtful recent nursing graduate with relevant EMT experience. Seeking an opportunity to work in George Washington University's emergency department to gain further experience with critical care patients while providing empathetic, dignified care.*

## WORK EXPERIENCE

---

### Foggy Bottom EMS - Volunteer EMT

January 2017 - current

Foggy Bottom, DC

- Volunteered as an EMT for 1 night-shift per week in one of the busiest areas in Metro DC
- Provided basic patient assessments to assess severity of patient condition, and provided BLS
- Performed CPR and administered AED for patients without heart beat, saving 12 patients
- Stabilized patients with life-threatening conditions, and quickly transported them to area hospitals for further treatment
- Worked in a 3-person team to treat patients and understand medical and family histories
- Trained 3 volunteers in ride-along shifts, with 2 volunteers successfully performing CPR

### George Washington University - Clinical Rotations

January 2017 - April 2019

Washington DC

- Worked across the GWU network of hospitals, and performed rotations across 7 departments
- Led presentations as part of a community nursing rotation to local residents detailing sex education to reduce STD rates by 8%
- Provided comfort to terminal patients and visited patients for 3 hours each week outside of rotation work to foster relationships in Geriatrics
- Administered more than 150 tests and IV treatment during time in Gastroenterology, and developed a holistic understanding of diagnostic procedures
- Worked across all stages of labor during OB rotation, and learned to identify false labor, check fetal heart rates, and deliver in the case of no provider available in an emergency
- Observed LVNs, RNs, doctors, and other staff, and developed goals aligned with their feedback
